You are so loved...

“Your value doesn’t decrease based on someone’s inability to see your worth.”

Wrap your talking gear around this...

- Does what someone else says about you mean it’s true?
- Can other people’s words cause you to feel hurt? Can your words hurt other people if you’re not careful with them?
- On social media, are people always nice?
- Can someone who doesn’t even know you say horrible things about you online that makes you question your worth?
- Who should you believe the most – online and offline – when it comes to feeling worthwhile and loved?
- How could you help someone online if you thought that someone was purposefully bringing them down?
