## A simple rule for life

"A simple rule in life: if you wouldn't like it done to you, don't do it to other people."

Wrap your talking gear around this…

- Does this rule apply to life online?
- Have you seen people being treated in an unfair, unkind, or harsh way online? (It could be someone you know in real life or a celebrity or sports person.)
- How does it make you feel if you witness nastiness online?
- Can you think of some rules for how people should behave online?
- Do you think stopping to ask yourself how you would feel if it was you is a good way to know if something is ok to do and/or say?

Use these discussion starters as a jumping off position to explore the saying. Always try and come up with some actions that would help everyone in the discussion to learn and grow. Be curious, have fun and be prepared to change the way you think – and behave!
