Wrong way- turn back

"It doesn't matter how far you have travelled in the wrong direction; you can always turn around."

Wrap your talking gear around this…

- What message is this giving us?
- Do you agree that it doesn't matter how far you have travelled, you can always turn around? Are there any circumstances when you think it may have gone too far or be too late?
- Who can you go to for help and support if you have been travelling in the wrong direction?
- Maybe you won't physically turn around- but what might you do if you have been 'going in the wrong direction' in your online life?
- What can you do to support someone else who may be travelling in the wrong direction?

Use these discussion starters as a jumping off position to explore the saying. Always try and come up with some actions that would help everyone in the discussion to learn and grow. Be curious, have fun and be prepared to change the way you think – and behave!
