“Never underestimate the influence you have on others”

Wrap your talking gear around this...

- What do you think this means?
- Who influences you? Do you think they influence you positively or negatively?
- What kinds of things do you see online that might influence you to do something? How does it make you feel?
- Does someone you see online ever change how you think about yourself? Either positively or negatively?
- Why do some people want to influence you? What’s in it for them?

Use these discussion starters as a jumping off position to explore the saying. Always try and come up with some actions that would help everyone in the discussion to learn and grow. Be curious, have fun and be prepared to change the way you think – and behave!
