Learning from mistakes

"You can't change what you did before, but you can change what you do next."

Wrap your talking gear around this…

- What do you think this quote means?
- Is it ok to make mistakes?
- Do you think there is anyone in this room who has never made a mistake- either online or offline?
- What should we do if we make a mistake online?
- How can we make better choices online?
- Why is "what you do next" important?
- Have you ever seen someone get something wrong online, but then turn it around and learn from what has happened?

Use these discussion starters as a jumping off position to explore the saying. Always try and come up with some actions that would help everyone in the discussion to learn and grow. Be curious, have fun and be prepared to change the way you think – and behave!
