Nobody is perfect

"No one is perfect. Not you. Not me. Not them. Relax and be who you are"

Wrap your talking gear around this…

- Do you agree that no one is perfect?
- Does social media offer a realistic view of people's lives?
- Is there someone, online or offline, who you consider to have a 'perfect' life?
- Do we judge people when they aren't being 'perfect'?
- Do you think that people feel able to show their imperfect side?
- How can we stand up for people who are being treated unfairly online?

Use these discussion starters as a jumping off position to explore the saying. Always try and come up with some actions that would help everyone in the discussion to learn and grow. Be curious, have fun and be prepared to change the way you think – and behave!
